AMB Warranty, Inc. (AMB) hereby certifies that: **ALEXANDER GREER JOHNSON** the "Signature Installer", on behalf of Premier Construction, the "Company" has satisfactorily completed the AMB training seminar on General Weathertight Principles of Metal Roof Installation, has attended and passed the required media and technical hands on training thereby qualifying as an Installer for the following products:

(supplier) METAL ROOF SYSTEMS

The Installer may represent to the public the Installer status on behalf of the Company. AMB hereby certifies satisfactory completion of the AMB training seminar for the proper installation of the listed products & listed on this certificate. However, the Installer and the Company are independent of AMB and the SUPPLIER COMPANY, and are not AMB's or the SUPPLIER'S agents, employees, contractors, or representatives. AMB DOES NOT WARRANT OR REPRESENT THAT THE INSTALLER AND THE COMPANY WILL UTILIZE THE METHODS AND PROCEDURES DEMONSTRATED by AMB and expressly gives notice to all third parties that THE METHODS AND PROCEDURES OF THE INSTALLER AND THE COMPANY ARE NOT SUBJECT TO THE DIRECTION AND CONTROL OF AMB. AMB DOES NOT SUPERVISE OR CONTROL ANY INSTALLATION OF SUPPLIER PRODUCTS AS A CONDITION TO CERTIFICATION.

This certificate is understood to be valid on an indefinite period of time, providing that the Company listed above is in compliance with the items listed below. However, in the event that AMB or SUPPLIER make substantial and significant changes in the procedures or methods for installation of any of its products, AMB may require re-certification by the Company during the term of this certificate. In no event shall this certificate remain in force should the Installer be terminated or voluntarily leave the employment of the Company. This certificate shall remain in force during the term stipulated subject to the following conditions:

The Installer and the Company shall:

1. Cause the Installer to be present on each job-site to supervise the entire installation of the SUPPLIER products.
2. Utilize only those methods and procedures demonstrated by AMB at its training seminar Installation Forms, Principals of Weathertight Installations and AMB Inspection Forms.
3. Have no claims pending of negligent, defective workmanship or non-acceptable installations of the SUPPLIER AND THEIR PRODUCTS.
